

**Juanita & Chris – 3<sup>rd</sup> November 2008**

When we first saw the slideshow we were completely overwhelmed. We could not believe that the people in those gorgeous photos were really us! You took the most beautiful photos. Every person who has seen the website, album or slideshow has said that our wedding photos are the most beautiful they've ever seen. And my response has been, "We have Mas to thank for that." After we played the DVD at our reception my best friend said to that she felt like she was watching a movie unfold but only this time she knew the lead actor and actress!

We are absolutely thrilled with the quality of the slideshow, album, DVD, prints and the canvas and cannot thank you enough.

There was a lot of anxiety about our wedding because of the fact that went off and got married on our own and because Chris and I come from very different cultural backgrounds. My family is very traditional and old fashioned and had a lot to say about everything...if you know what I mean!! However when they saw the slideshow and watched the DVD, they were in tears. You helped to lower some of their barriers and break their resistance by communicating the essence of our wedding through your images. Until that point they had been unable to identify with what we had chosen to do and upon seeing it were transported to Thailand to share our special day with us. It was only then that they understood and gave us their blessings. Thank you.

Looking back at it all I feel truly blessed. Our wedding was the happiest day of our lives and we thank you for eternalizing the joy and the beauty of that day so that we can reflect on it and appreciate it.

**Melanie & Kelvin – 11<sup>th</sup> April 2009**

You took the time to get a feel for the sort of people Kelvin and I were and that shows in how you captured the day. You were professional and relaxed. You made us feel comfortable (as you can) to have a camera on us constantly. We feel blessed to have had you be part of the energy that made up our amazing wedding day! Thank you ☺

We have done nothing except watch the DVD (about 10 times) with different friends and family - we are not even close to getting sick of watching it! :-)

**Jacqueline & Nick – 3<sup>rd</sup> May 2009**

Your services, both in photography and videography were brilliant! You caught our most candid and memorable moments and we will cherish them forever! Thank You Mas you truly are a talented artist with a beautiful spirit ☺ Our only regret is that we did not book you for the entire day

**Sarah & Damien – 10<sup>th</sup> June 2010**

We couldn't be happier with the photos and video from Phanumas Photography. Mas was awesome to deal with and really understood what we wanted. He blended into the day and captured all of the special moments beautifully. We were so impressed with the quality of both the photos and video and would have no hesitation recommending Mas. My advice would be to go with both the video and photos. Whilst the photos were absolutely gorgeous the video really tells the story. We had a small intimate wedding and it has been great to show everyone back home the video – makes our family and friends who couldn't be there really feel a part of the day!

Thanks Mas for making our wedding at Pimalai so special ... from before we arrived, during the day, to following up with us after the event... your professionalism, enthusiasm, communication and customer service has been second to none!
